

La letra O: repasar

Sigue los puntos y practica la letra O sin salirte del trazo.

Azul: altura y cuerpo · Rojo: línea de apoyo

The practice area consists of six rows of handwriting guides. Each row is defined by three horizontal lines: a top blue line, a middle dashed blue line, and a bottom red line. Within each row, there are eight uppercase 'O' characters. Each 'O' is formed by a solid grey outline and contains a small grey dot at its top-left position, indicating the starting point for writing. The characters are evenly spaced across each row to provide a consistent guide for letter height and placement.
